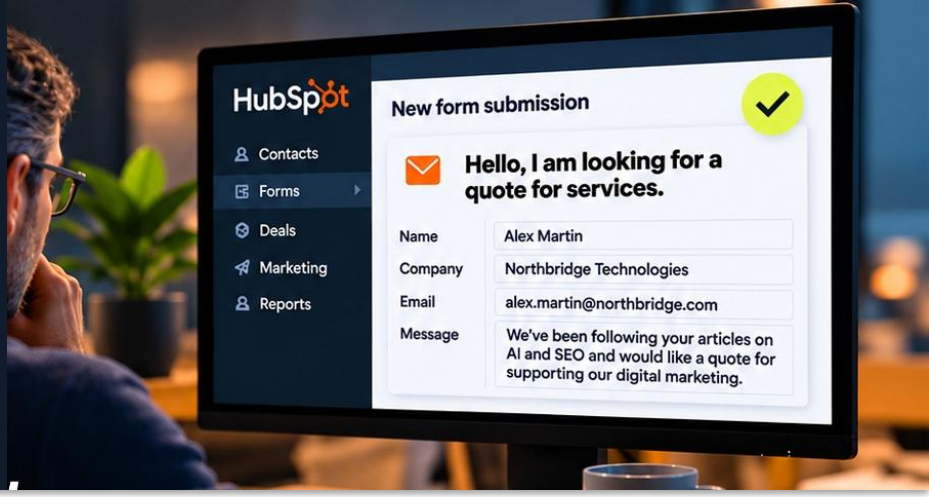
What if your next lead came in pre-sold?



AI and SEO Authority Pack

Be discovered when buyers research, compare and validate vendors. Build the visibility and credibility that help prospects choose your company before the sales conversation begins.

4 long-form search and AI optimized articles	Researched articles optimized for relevant search queries and AI discovery, answering buyer questions and demonstrating your expertise.
4 high authority backlinks	Links from relevant third-party websites to your site that support search visibility, referral traffic and off-site authority.
90 business citations	One-time creation of business listings across relevant directories to reinforce consistent company information and discoverability.
1 digital PR campaign	Development and distribution of a newsworthy brand story to increase exposure and third-party credibility.
2 no-follow branded links	Additional third-party publishing opportunities that increase brand exposure and corroborate your expertise; links may be nofollow.

Content creation, curation and final placement included.

Optional AI visibility accelerator | +$2,000/month

Target relevant publishers with documented AI licensing or demonstrated citation visibility.

One-time package

$5,500

$4,750/month ongoing
12-month commitment

Be discovered before the sales conversation begins.
